1st AUSTRALIAN WORKSHOP

2D-PRINTED DEVICES

Invited speakers

Michael Schläfli
nsm Norbert Schläfli AG

Jakob Heier
Empa

Davide Deganello
Swansea University

Mei Gao
CSIRO

Gerd Grau
York University

Sam Mallinson
UNSW / Memjet Australia

Ali Shaygan Nia
MPI / TU Dresden

Ali Zavabeti
RMIT

Jaret Lee
planarTECH

18 – 19 September 2025 | Monash University

State-of-the-art
printing technologies

Printable energy
storage devices

Printing liquid metals

Printable solar cells

Printable sensors

Printable 2D materials

Prof Mainak Majumder
Monash University
Co-Chair

Dr Naimeh Naseri
Monash University
Co-Chair

This is a 2DProtoPrint event
